

ALUMNI DATABASE FOR ESP STUDENTS

I have compiled this list of our alumni to highlight the various occupations/career paths our students have taken. This list is by no means inclusive, they are just the names and contact information from students that have given me permission to post on our website. Feel free to write to them about graduate school or careers. If you are an alumni and you would like to be included, please send your particulars to kcmaahoney@ucdavis.edu.
