

LIST OF PUBLICATIONS
PETER J. RICHERSON

- 1.* Richerson, Peter J. and Albert A. Grigarick. 1967. The life history of *Stenopelmis rufinatus* (Coleoptera: Curculionidae). *Annals of American Entomological Society*. 60:351-354.
2. Richerson, Peter J. 1969. The community ecology of the Lake Tahoe plankton. Dissertation submitted in partial satisfaction of the requirements for Ph.D. in Zoology, University of California, Davis, December.
- 3.* Richerson, Peter J., Gerald A. Moshiri, and Gordon Godshalk. 1970. Certain ecological aspects of pollen dispersion in Lake Tahoe (California-Nevada). *Limnology and Oceanography* 15:149-153.
- 4.* Richerson, Peter J., Richard Armstrong and Charles R. Goldman. 1970. Contemporaneous disequilibrium, a new hypothesis to explain the "paradox of the plankton." *Proceedings of the National Academy of Sciences* 67:1710-1714.
5. Goldman, Charles R., James McEvoy and Peter J. Richerson. 1971. Measurement of environmental quality. Report to National Water Commission. *Environmental Quality and Water Development*.
6. Richerson, Peter J. 1972. The role of zooplankton in the process of eutrophication. In R.L. Brown and M.H. Tunzi (eds.), *Proceedings of Seminar on Eutrophication and Biostimulation*, California Department of Water Resources, pp. 133-144.
7. Goldman, Charles R., James McEvoy and Peter J. Richerson (eds.). 1973. *Environmental Quality and Water Development*. William H. Freeman and Co., 510 pp.
8. Coy, John G., Robert A. Johnston and Peter J. Richerson. 1973. Critique of water resources council's proposed principles and standards for planning water and related land resources. In *Environmental Quality and Water Development*, C.R. Goldman, J. McEvoy and P.J. Richerson (eds.), W.H. Freeman and Co., San Francisco, pp. 478-494.
9. Richerson, Peter J. and James McEvoy. 1973. The measurement of environmental quality and its incorporation into the planning process. In *Environmental Quality and Water Development*, C.R. Goldman, J. McEvoy and P.J. Richerson (eds.), W.H. Freeman and Co., San

* = refereed

Francisco, pp. 111-134.

- 10.* Richerson, Peter J., Carl Widmer, Timothy Kittel, and Antonio C. Landa. 1975. A survey of the physical and chemical limnology of Lake Titicaca. *Verhandlungen Internationale Vereinigung Limnologie* 19:1498-1503.
11. Richerson, Peter J. and James McEvoy III (eds.). 1975. *Human Ecology: an environmental approach*. Duxbury Press, 370 pp.
- 12.* Richerson, Peter J. and Robert Johnston. 1975. Environmental Values and Water Quality Planning. Paper of the Technical Council on Water Resources Planning and Management. *Journal of the Hydraulics Division ASCE* 101:259-276.
- 13.* Richerson, Peter J., Barton J. Dozier and Bruce T. Maeda. 1975. The structure of phytoplankton associations in Lake Tahoe (California-Nevada). *Verhandlungen Internationale Vereinigung Limnologie* 19:843-849.
- 14.* Widmer, Carl, Timothy Kittel and Peter J. Richerson. 1975. A survey of the biological limnology of Lake Titicaca. *Verhandlungen Internationale Vereinigung Limnologie* 19:1504-1510.
- 15.* Powell, Thomas M., Peter J. Richerson, Thomas M. Dillon, Bruce A. Agee, Barton J. Dozier, Daniel A. Godden and Leonard O. Myrup. 1975. Spatial scales of current speed and phytoplankton biomass fluctuations in Lake Tahoe. *Science* 189:1088-1089.
- 16.* Dozier, Barton J. and Peter J. Richerson. 1975. An improved membrane filter method for the enumeration of phytoplankton. *Verhandlungen Internationale Vereinigung Limnologie* 19:1524-1529.
17. Boyd, Robert and Peter J. Richerson. 1976. A simple dual inheritance model of the conflict between social and biological evolution. *Zygon* 11:254-262.
- 18.* Richerson, Peter J. 1977. Ecology and human ecology: a comparison of theories in the biological and social sciences. *American Ethnologist* 4:1-26.
19. Richerson, Peter J., Carl Widmer and Timothy Kittel. 1977. The limnology of Lake Titicaca (Peru-Bolivia), a large, high altitude tropical lake. Institute of Ecology, University of California, Davis, Publication Number 14, 78 pp.

* = refereed

- 20.* Kittel, Timothy and Peter J. Richerson. 1978. The heat budget of a large tropical lake, Lake Titicaca (Peru-Bolivia). *Verhandlungen Internationale Vereinigung Limnologie* 20:1203-1209.
21. Richerson, Peter J., Thomas M. Powell, Mark R. Leigh-Abbott and John A. Coil. 1978. Spatial heterogeneity in closed basins. In *Spatial Pattern in Plankton Communities*, John H. Steele (ed.), Plenum Publishing Corporation, New York, pp. 239-276.
- 22.* Richerson, Peter J., Matilde Lopez M. and Thomas Coon. 1978. The deep chlorophyll maximum layer of Lake Tahoe. *Verhandlungen Internationale Vereinigung Limnologie* 20:426-433.
- 23.* Leigh-Abbott, Mark R., John A. Coil, Thomas M. Powell, and Peter J. Richerson. 1978. Effects of a coastal front on the distribution of chlorophyll in Lake Tahoe (California-Nevada). *Journal of Geophysical Research* 83:4668-4672.
- 24.* Richerson, Peter J. and Robert Boyd. 1978. A dual inheritance model of the human evolutionary process. *Journal of Social and Biological Structure* 1:127-154.
25. Hart, David D. and Peter J. Richerson. 1978. Environmental gradients, community transects, and taxon similarity, pp. 97-105. In *Ecological Lab Experiences: An Ideas Forum*, L.B. Crowder (ed.), Department of Zoology, Michigan State University, pp. 97-105.
- 26.* Boyd, Robert and Peter J. Richerson. 1980. Sociobiology, culture and economic theory. *Journal of Economic Behavior and Organization* 1:97-121.
- 27.* Abbott, Mark R., Thomas M. Powell, and Peter J. Richerson. 1980. The effects of transect direction on observed spatial patterns of chlorophyll in Lake Tahoe. *Limnology and Oceanography* 25:354-357.
- 28.* Richerson, Peter J. and Kwei-lin Lum. 1980. Patterns of plant species diversity in California: Relation to weather and topography. *American Naturalist* 116:504-536.
- 29.* Boyd, Robert and Peter J. Richerson. 1980. Effect of phenotypic variation on kin selection. *Proceedings of the National Academy of Science USA* 77:7506-7509.

* = refereed

- 30.* Boyd, Robert and Peter J. Richerson. 1981. Culture, biology and the evolution of variation between human groups. In *Science and the Question of Human Equality*, M.S. Collins, et al. (eds.), AAAS Selected Symposium 58:99-152.
- 31.* Abbott, Mark R., Peter J. Richerson and Thomas M. Powell. 1982. *In situ* response of phytoplankton fluorescence to rapid variations in light. *Limnology and Oceanography* 27:218-222.
- 32.* Boyd, Robert and Peter J. Richerson. 1982. Cultural transmission and the evolution of cooperative behavior. *Human Ecology* 10:325-351.
- 33.* Abbott, Mark R., Thomas M. Powell, and Peter J. Richerson. 1982. The relationship of environmental variability to the spatial patterns of phytoplankton biomass in Lake Tahoe. *Journal of Plankton Research* 4:927-941.
- 34.* Boyd, Robert and Peter J. Richerson. 1983. The cultural transmission of acquired variation: effects on genetic fitness. *Journal of Theoretical Biology* 100:567-596.
35. Boyd, Robert and Peter J. Richerson. 1983. Why is culture adaptive? *Quarterly Review of Biology* 58:209-214.
- 36.* Vincent, Warwick F., Wayne A. Wurtsbaugh, Connie L. Vincent, and Peter J. Richerson. 1984. Seasonal dynamics of nutrient limitation in a tropical high-altitude lake (Lake Titicaca, Peru-Bolivia): Application of physiological bioassays. *Limnology and Oceanography* 29:540-552.
- 37.* Richerson, Peter J., and Robert Boyd. 1984. Natural selection and culture. *BioScience* 34:430-434.
- 38.* Vincent, Warwick F., Patrick J. Neale, and Peter J. Richerson. 1984. Photoinhibition: Algal responses to bright light during diel stratification and mixing in a tropical alpine lake. *Journal of Phycology* 20:201-211.
- 39.* Abbott, Mark R., Kenneth L. Denman, Thomas M. Powell, Peter J. Richerson, Robert C. Richards, and Charles R. Goldman. 1984. Mixing and the dynamics of the deep chlorophyll maximum in Lake Tahoe. *Limnology and Oceanography* 29:862-878.
- 40.* Powell, Thomas M., Michael H. Kirkish, Patrick J. Neale, and Peter J. Richerson. 1984. The diurnal cycle of stratification in Lake Titicaca: Eddy diffusion. *Verhandlungen Internationale Vereinigung*

* = refereed

Limnologie. 22:1237-1243.

- 41.* Vincent, Warwick F., Connie L. Vincent, Malcolm T. Downes, and Peter J. Richerson. 1985. Nitrate cycling in Lake Titicaca (Peru-Bolivia): The effects of high altitude and tropicality. *Freshwater Biology* 15:31-42.
- 42.* Wurtsbaugh, Wayne A., Warwick F. Vincent, Rene Alfaro Tapia, Connie L. Vincent, and Peter J. Richerson. 1985. Nutrient limitation of algal growth and nitrogen fixation in a tropical alpine lake, Lake Titicaca (Peru-Bolivia). *Freshwater Biology* 15:185-195.
- 43.* Powell, Thomas M. and Peter J. Richerson. 1985. Temporal variation, spatial heterogeneity, and competition for resources in plankton systems: A theoretical model. *American Naturalist* 124:431-464.
- 44.* Boyd, Robert and Peter J. Richerson. 1985. *Culture and the Evolutionary Process*. University of Chicago Press, Chicago, 330 pp.
- 45.* Theriot, Edward, Heath J. Carney and Peter J. Richerson. 1985. Morphology, ecology and systematics of *Cyclotella andina* sp. nov. (Bacillariophyceae) from Lake Titicaca, Peru-Bolivia. *Phycologia* 24:381-387.
- 46.* Richerson, Peter J., Patrick J. Neale, Wayne Wurtsbaugh, Rene Alfaro T. and Warwick Vincent. 1986. Patterns of temporal variation in Lake Titicaca. A high altitude tropical lake. I. Background, physical and chemical processes, and primary production. *Hydrobiologia* 138:205-220.
- 47.* Vincent, Warwick F., Wayne Wurtsbaugh, Patrick J. Neale and Peter J. Richerson. 1986. Polymixis and algal production in a tropical lake: latitudinal effects on the seasonality of photosynthesis. *Freshwater Biology* 16:781-803.
- 48.* Neale, Patrick J. and Peter J. Richerson. 1987. Photo-inhibition and the diurnal variation of phytoplankton photosynthesis -- I. Development of a photosynthesis-irradiance model from studies of *in situ* responses. *Journal of Plankton Research* 9:167-193.
- 49.* Boyd, Robert and Peter J. Richerson. 1987. The evolution of ethnic markers. *Cultural Anthropology* 2:65-79.
- 50.* Coon, Thomas G., Matilde Lopez M., Peter J. Richerson, Thomas M. Powell and Charles Goldman. 1987. Summer dynamics of the deep chlorophyll
